"I thank you for so kindly forwarding me the check for \$100.00 but please see Mr. Hartman of (Hempel & Co.) to ascertain who the Hahns Peak Stock Certificate he holds for dues of either assessments or collections as part payments. Ask him to get some information from who the owner of stock is from and if bought by him the transfer has not been made in in that name of Hartman. He evidently is acting for a customer and by getting Nme and address we will give credit where it belongs. We have many old Members who has not furnished us with their last address and New York and Boston are getting behind on furnishing our members with latest News. We are now getting ready for vigorous operation. Shares \$1.00 par. "
